WHO WE ARE

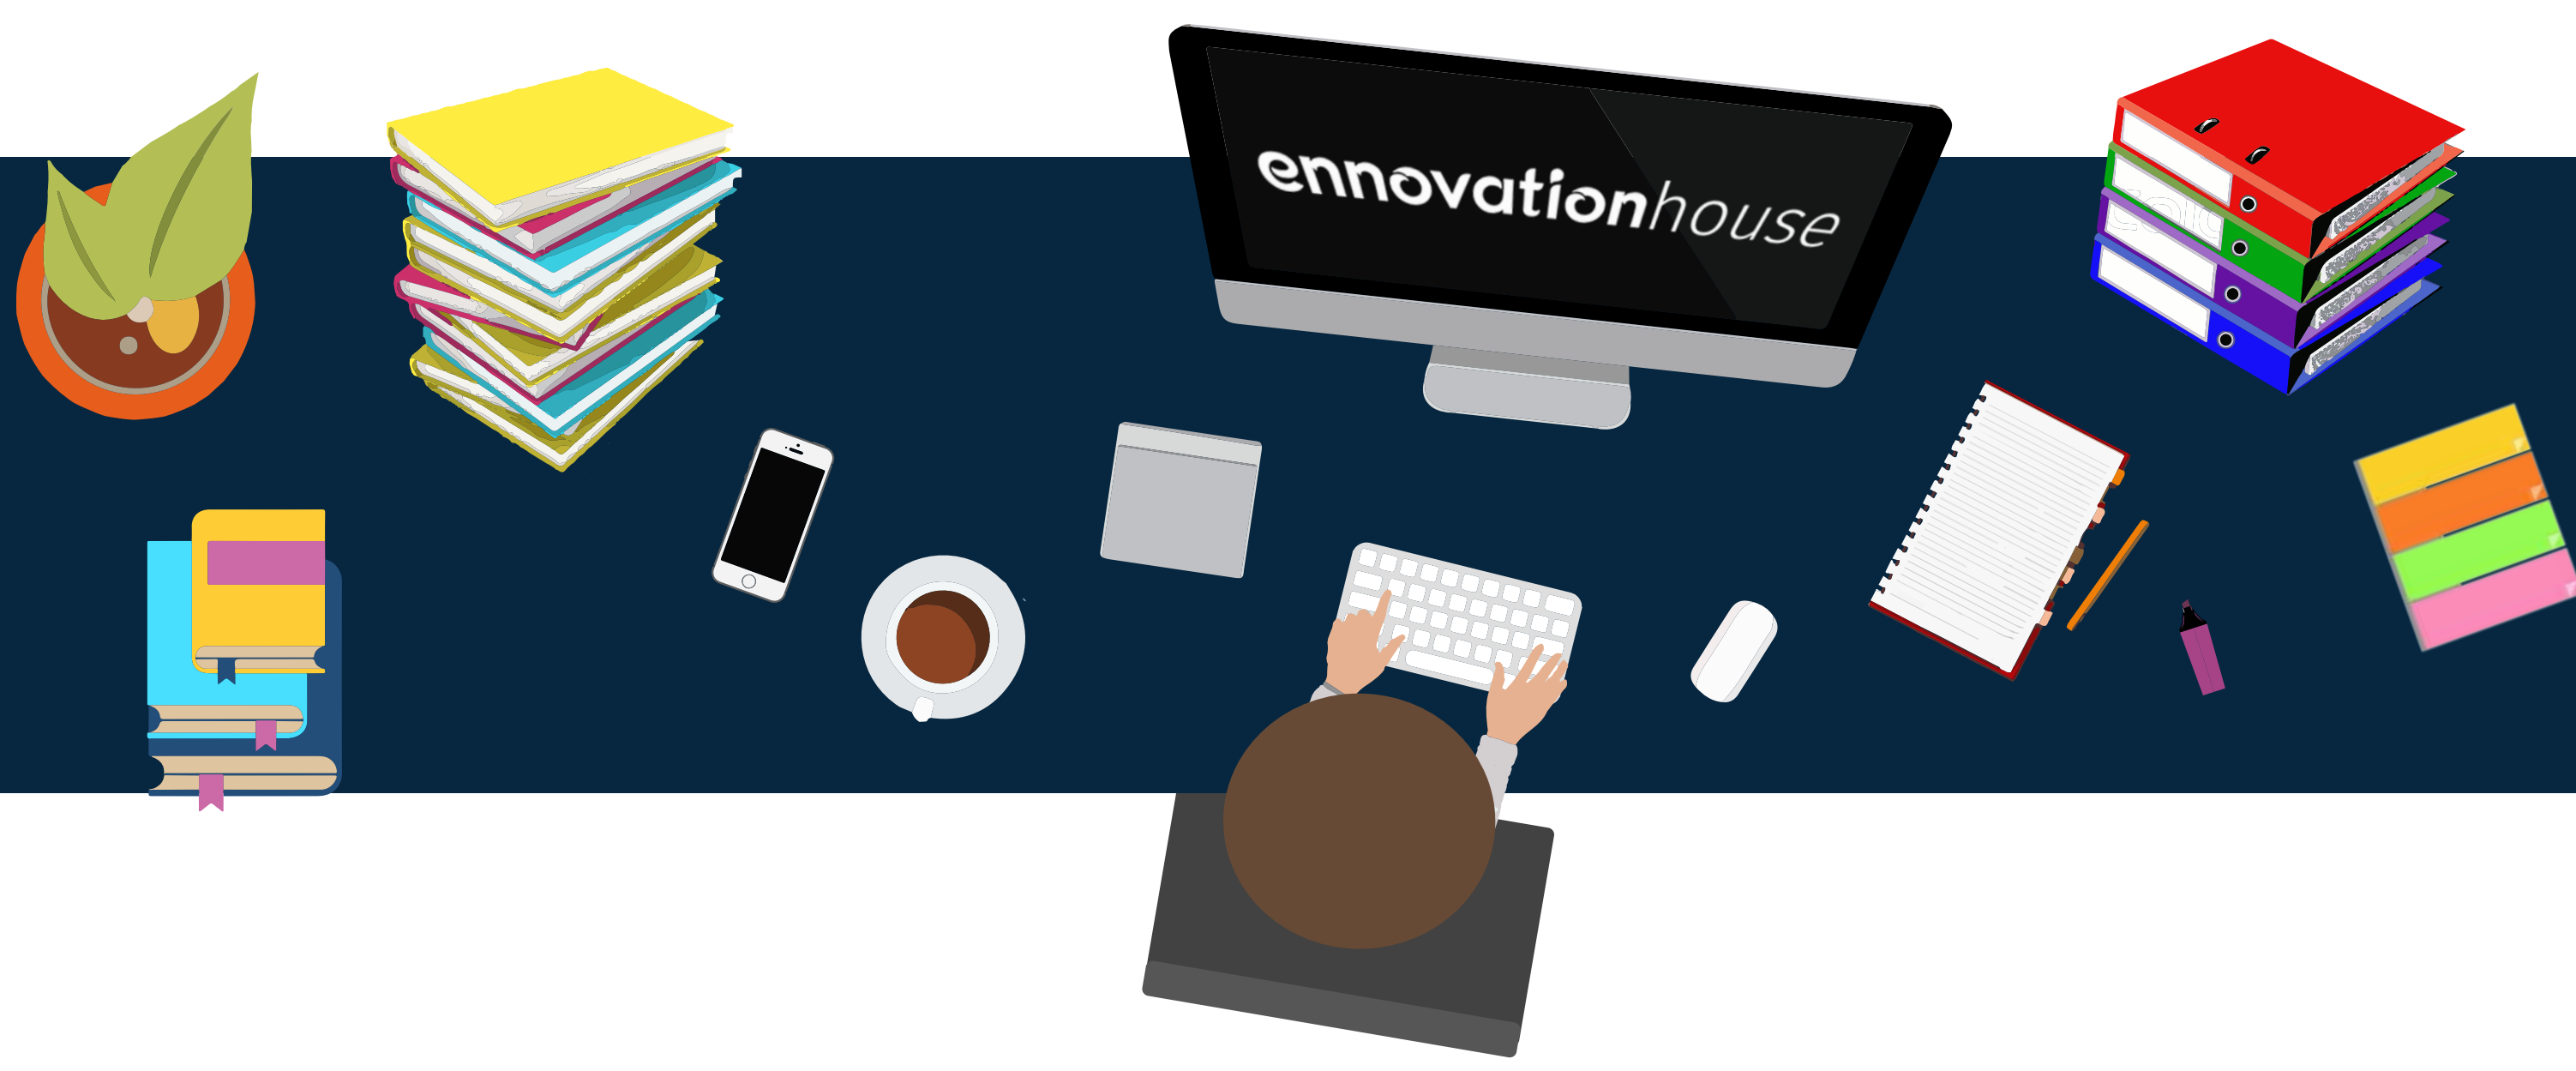

We design, we code, we write, we film, we market, we sell... We are E-commerce specialists with lots of passion to share. Together we are building the next big thing in E-commerce.

THE PIECE WE ARE MISSING

You love to write. You can't stop yourself from learning new things. Super internet savvy. Filled with energy. Are you a student looking for paid internship in London? Join us and develop yourself beyond what you thought was possible in the position:

GERMAN DIGITAL MARKETING INTERN

Ennovation House is looking for a native speaking German digital marketing intern for taking ownership of one of the projects of our brands in German speaking countries. You will be working closely with our in-house seo specialists and have full ownership of your own projects.

You will be taught everything about E-Commerce, search optimisation, how to write for the web and digital entrepreneurship in a very short period of time. You will get involved in all parts of the business, from optimizing the site and working on online marketing and create the digital buzz.

This is a great opportunity to learn from seasoned entrepreneurs and professionals and we will make sure you will be supported by marketing specialists in order to ensure you have all the relevant tools to succeed and develop in your role at Ennovation House.

After the internship has ended there is a strong possibility of staying in the company in a full-time position and develop your career in digital marketing and ecommerce.

Job Responsibilities:

- Assisting in Online Marketing Efforts
- Assisting in Search Optimisation
- Ownership of your own domains
- Assisting in content creation and localization
- Assisting in digital PR efforts

The Person we are looking for:

- Loves to produce content
- Experience in content creation
- Proactive and hungry
- Ability to conduct independent research online about diverse topics
- Passionate about entrepreneurship
- Strong communication skills
- A big internet savvy
- A team player
- Preferably previous experience within E-Commerce and/or online marketing.

We welcome applications to the role from students looking to explore life in London. Come join our vibrant, multicultural and world leading city and kick start your career.

Send us your CV electronically.

We're excited to meet you!
